Fundraising Contract

Fundraising programs are organized and provided for the students of the music department throughout the year. Most of the programs are designed to support the individual efforts of the participating students. The large percentage of the profits are deposited into student accounts held by ABFOM. Students may use these accounts to support their music department needs such as the cost of trips, uniform items and banquet tickets.

I pledge personal responsibility for the fundraising materials which have been entrusted to me. I will safeguard both the merchandise and the money I have accepted until they can be properly credited by the Friends of Music treasurer or event organizer. In the event of loss or theft, a debit will be applied to the student's account until either the merchandise or the money is returned.
